Catering for every occasion

Our in-house catering team at ellenor is here to make your event extra special. From beautiful platters and delicious spreads to handmade cakes, fresh fruit, and elegant afternoon teas – we cater for all occasions, including birthdays, family celebrations, wakes, and corporate events.

By choosing ellenor's catering services, you're not only getting great food – you're also supporting your local hospice charity. Every order helps us continue to care for your local community, when they need it most.

About ellenor

We are ellenor, your local hospice charity, providing vital support to patients and families facing life-limiting illnesses across North Kent and Bexley.

At ellenor, we embrace life, offering support to adults and children from the moment of diagnosis and beyond.

Our services for adults include an Inpatient Ward and Community Services – including Hospice @ Home and Care Home Support, plus Wellbeing and Therapeutic Services. For children and young adults, we provide specialised hospice care within the community, including end of life care, clinical nursing and oncology support in their own home, as well as respite and wellbeing support

We rely on the wonderful generosity of our community to provide the necessary funding to continue to care.
